

DAVID AARON DEL ROSARIO

INFORMATION TECHNOLOGY GRADUATE

+63 966 294 8249 | davidaaron.delrosario@gmail.com | github.com/deyybid | Imus, Cavite, Philippines

PROFESSIONAL SUMMARY

Adaptable Information Technology graduate with hands-on experience in computer systems servicing, IT support, and administrative operations. Proven track record of managing data systems, troubleshooting complex technical issues, and coordinating cross-functional tasks in fast-paced environments. Eager to leverage technical expertise and a strong service mindset to deliver reliable IT solutions for a forward-thinking organization.

TECHNICAL SKILLS

- Microsoft Office (Access, Excel, PowerPoint and, Word)
- Version Control System (Git, GitHub)
- Basic Web Development (HTML, CSS, JavaScript, and Python)
- Computer Hardware & System Servicing
- Visual Basic .NET
- Visual Graphic Design (Canva, Figma)

PROFESSIONAL EXPERIENCE

IT & Administrative Intern – City College of Imus

July 2023 – November 2023

- Delivered first-level IT helpdesk support to faculty and staff, diagnosing and resolving hardware and software issues to minimize downtime. Managed and encoded institutional data records with high accuracy, supporting the college's administrative database operations.
- Serviced and maintained computer system across campus laboratories, ensuring equipment reliability and optimal performance. Coordinated logistic and administrative tasks for institutional events and activities, supporting seamless event execution.
- Collaborated with administrative teams to streamline office workflows, contributing to improved departmental efficiency.

PROJECTS

AUTOMATED STUDENT RECORD MANAGEMENT SYSTEM USING BARCODE FOR IETI IMUS

CAPSTONE PROJECT

TECH STACK: Visual Basic.NET, Guna UI Framework 2.0, Microsoft Access Database

Developed to improve the management of student records, grades, and subjects by reducing manual processes. The system streamlined routine administrative tasks, provided faster access to student data, and improved the accuracy and organization of records.

EDUCATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

International Electronics and Technical Institute, Inc. – Alabang Campus

June 2025

CERTIFICATIONS

- Computer System Servicing – National Certificate II
